## 16 PHS Graduates To Enter College

Sixteen members of the Pahokee High School Class of 1952 have enrolled in various colleges, universities and vocational schools throughout the country. Some have already started their studies but the majority will leave after Sept. 1 to begin their freshman year at institutions of higher learning.

Entering as freshman at the University of Florida will be Dick Atkins, Jack Boland and Charles McCurdy.

Joann Platt is enrolling as a freshman at Florida State University, Gloria Stuart and Louise Hatton will enter Huntington College, Montgomery, Ala., while Rita Faye Hurt and Shirley Watson are leaving Monday to begin their studies at the School of Nursing, Tulane University, New Orleans, La.

Millard Stanley will go to Georgia Tech, Atlanta, and Mac Lynn will study for the ministry at Florida Christian College, Tampa.

Alfred Meeks, Bobby Schroder and David McCoy have enrolled as freshmen at Florida Southern College, Lakeland. Myra Baxter is attending a School of Modeling in Miami. Leonne Gamot is studying merchandising at a school in New York. Bobby White will attend Chipola Junior College in Chipley.

Among the upperclassmen from this area returning to college this fall will be Yvonne Lee Fraser and Clarice Nason, seniors, Glen Boland, David Ramey and Ralph Crews, juniors, and Willard McCurdy, Bobby Mackey and Dale Maxwell, sophomores, University of Florida; Patsy Maxson, sophomore, Florida Southern College; Stanley Hooks, junior, Emory University; Frank Rozelle, senior, and George Rozelle, junior, Georgia Tech; Ronnie May, sophomore, Georgia Military College.

## New Bridges Near As R-W's Secured

Right of way deeds for Six Mile Bend and Canal Point bridges are slated to be in the hands of the State Road Department this week which will clear the way for construction of four new bridges in the Everglades.

Transfer of the right of way deeds was authorized Monday by the County Commission after several weeks of negotiations in which the board was required to secure right of way for four bridge projects before the State Road Department would consider calling for bids on any of the individual spans which are located at Six Mile Bend, Canal Point, South Bay and Lake Harbor.

Land for the South Bay and Lake Harbor projects have been available for some time but it hasn't been until recent weeks that the commission has been able to complete arrangements for right of way on Six Mile and Canal Point projects.

The commission this week also authorized calling for bids for a tractor mower to be used at Pahokee Airport.

Other actions by the board included receipt of a proclamation from Gov. Fuller Warren setting (continued on page 8)

## Football Clinic Is Scheduled Sept. 12

The Pahokee Lions Club at the Tuesday luncheon meeting announced plans to sponsor jointly with the Belle Glade Lions pre-season football clinic to be held on Lair Field in Pahokee Friday, Sept. 12, at 8 p. m.

The purpose of the clinic will be to acquaint the public with new football rules, present a preview of the high school football teams in the Glades area and demonstrate some of the plays the teams will use during the coming season. Last year the Lions football clinic was held in Belle Glade with Pahokee, Belle Glade and Clewiston high school teams participating.

E. E. Carlton of the Stanley Chevrolet Company was received as a new member, with Frank Rozelle, Sr., in charge of the induction ceremony.

Frank Rozelle, Jr., and Carolyn Sellers were introduced as visitors. President James W. Vannin presided.

## Pahokee Teachers Ready For Work

Miss Patricia Ann Tucker of Bridgeport, West Va., has been appointed by the County Board of Public Instruction as director of physical education for girls at Pahokee High School, filling the vacancy left by the resignation of Miss Geraldine Hicks. There are still two teaching positions to be filled at Pahokee Schools, a director of music at the elementary school and an instructor in car driving education at the high school, according to Principal Clyde A. Canipe.

Most of the teachers at the Pahokee Schools have reported for work. Robert Shaw, Latin and Junior High mathematics instructor, is completing his studies at the University of North Carolina summer school and is expected to report for teaching duty here around Sept. 2. Mrs. Myrtle Brooks, elementary school teacher who has been attending summer school at the Appalachian State Teachers College, Boone, N. C., is also expected to return by Sept. 2. Mrs. Josephine Shartz, new third grade teacher, is taking part in the workshop at West Palm Beach where speech difficulties of elementary school children are being studied.

## Vacation Time Is Hurricane Time

With the exception of last year The Everglades News vacation period for many years has been chosen simultaneously with the first hurricane of the year. We don't know just how we do it, but we do. Today at noon we close the office for a few days rest and recreation. Today we hear over the radio regular advisories on Hurricane ABLE. Our only hope is that it isn't too darned ABLE.

Next week we will put into effect the usual remote control and you will receive your paper on time just the same as you would if we were slaving here in the office. It's a little trick we learned years ago.

## Jack Boland First In Talent Parade

A full house thundered Jack Boland into first place in the Grand Finals of the Talent Scout Night Show at the Prince Theatre, Tuesday night. Jack sang "Old Man River" and "The Lord's Prayer."

The judges had a difficult time selecting Eugene Caruthers as second winner over Louise Hatton and Joyce Holder. Gene gave an impression of Johnny Ray, famous "Crying Singer."

Third place was equally hard to select, but the award went to The Harmony Four, with Miss Hatton and Miss Holder offering a heavy threat to this position. The boys sang "Walking My Baby Back Home", adding a novel twist that brought the house down.

Acts presented were: LaVerne Geiger, in black face with an impression of Eddie Cantor, assisted by his sister, Valerie Geiger. Eugene Caruthers, singing "Please Mr. Sun" and "Broken Hearts". Bobbie Schroder singing "I'm Yours" and "Here In My Heart". Evelyn Jones, diminutive harmonica player. Jack Boland, Louise Hatton, a medley of Stephen Foster songs and "I'm in the Mood For Love". Edwina Humphreys, a Hula dance. Joyce Holder singing "Because" and "With A Song in My Heart". The Harmony Four, "Walking My Baby Back Home" and "For Me and My Gal". Lory Ann Rockwell "An Easter Parade novelty tap dance". Chris Jones, Harmonica player and Lewis Collins at the piano.

Mrs. D. R. Kemper, President of the Business and Professional Woman's Club, Frank Hobson, Principal of Belle Glade Schools and James Baldwin, Exalted Ruler (continued on page 8)

## Dr. Spooner Is Hurt; His Car Hits Him

Dr. D. S. Spooner, 71, Pahokee pioneer physician, suffered severe injury to his left leg Monday morning in an unusual accident in which his driverless car rolled backward and pinned him against a fence post.

The accident occurred around 9:30 a. m. after Dr. Spooner had looked after some of his cows in the pasture opposite his home on Bacon Point Road. He had driven his car into the pasture and after leaving the pasture got out of the car, which was parked on an incline at the shoulder of the road, to close the gate. As he was closing the gate with his back turned, the car rolled backward and came to a halt only after the sharp, curved right end of the bumper had pinned his leg against the post, cutting a terrible gash some eight inches long and four inches deep above the knee.

Fortunately visiting relatives saw the accident when it occurred, however, Dr. Spooner lost considerable blood before first aid measures could be applied. He was rushed by Berry's ambulance service to the Everglades Memorial Hospital for treatment.

Dr. Spooner was transferred to Jackson Memorial Hospital at Miami, Tuesday night.

## PHS Band Starts Pre-School Practice

The Pahokee High School Band under the direction of Bandmaster Robert O. Lampi started pre-school practice in the band building on the high school campus Monday evening and another practice session was conducted on Thursday evening of this week.

Mr. Lampi, in a preparatory move to get the band ready for the opening of the football season Sept. 19, is also calling for pre-school practice sessions of the band on Monday and Thursday evenings of next week at 7:30 o'clock. All members of the band are urged to attend.

## Towels Needed

The Canal Point school cafeteria is badly in need of some tea towels before the start of another school term. If anybody has a few they would like to donate they will be gladly received by Mrs. Pope Sears.

## Deputy Director

The appointment of Judge Richard P. Robbins as deputy director for the county's civil defense organization was approved by the County Commission this week.

Judge Robbins' appointment was recommended by Col. Ellis Altman, civil defense director for the county.

Lewis Pope, Jr., has returned home after spending two months at Camp Chimney Rock, N. C.

## Boat Club Plans Prove Interesting

It was announced the newly organized Pahokee Boat Club has 92 charter members at the first formal meeting of the club since it was organized last week, held Tuesday night in the city hall with President James H. Wilson presiding.

Capt. Frank Altman, commanding officer of the Air Rescue Squadron stationed at Canal Point, spoke informally to the group, promising the full cooperation of the squadron and the air force in the club's boating activities on Lake Okeechobee. Capt. Altman, who was made an honorary member of the club at the meeting, said he is trying to get permission to have the air rescue crash boat now operating in Lake Okeechobee tied up at the Pahokee city dock on Sunday afternoons for inspection by the public.

Reggie Hurley, ex-commander of the West Palm Beach Prop and Sail Club, also spoke to club members, telling of some of the mistakes his club made when first organized, which the Pahokee club may well avoid, and offering the assistance of his group in getting the new club off to a good start.

The club voted to ask for the assistance of the city police in the directing of car traffic on the Levee above the city dock Sunday afternoons when large crowds are present to see the boat races, skiing, surf board riding and other water sports.

President Wilson, representing the club's safety committee, drew a blackboard diagram of the proposed safety zone for children which is to be roped off by the club at the city dock in cooperation with the City Council.

A charter for the club, a non-profit organization, was presented at the meeting and accepted by the group for approval by the circuit court and State officials.

## Ranch Worker Hit By Lightning; Dead

Lawrence L. Simmons, 53, of South Bay was killed by lightning Monday afternoon when he sought shelter from the rain in a metal cattle minerals shed at the Okeelanta Ranch four miles south of South Bay.

Clifford Smith, Negro, who was with Simmons, was knocked unconscious by the bolt and summoned assistance at a nearby ranch when he recovered consciousness. It is believed the rubber boots Smith was wearing saved him from death. Both worked as ranch hands for R. E. Kurtz, Fort Myers, owner of the Okeelanta Ranch.

Funeral services for Mr. Simmons were held at the South Bay Baptist Church Wednesday at 3 p. m., with the Rev. King officiating. Survivors include his wife, Claudie, two step children, six brothers and a sister. Burial was at the Port Mayaca Cemetery. Berry's Funeral Home was in charge of arrangements.

Mrs. Julian Chandler has returned home from Vero Beach where she received treatment in a hospital in that city.

**"Reading Problems" Is 2nd Week Theme**

The teaching staff at Pahokee Schools selected "Reading Problems" for its study as it moved well into the second week of the pre-school term.

The time is divided between County-wide meetings of various departments, work in the teacher's individual classroom and faculty meetings called by Principal Clyde A. Canipe within the school to study various school problems and means of reaching better solutions to these problems.

In the study of "Reading Problems" each teacher, grades one through twelve makes a report to the entire faculty on how reading is taught at the teacher's particular level of education. This study is pointing to a need of revising promotion policies. The grading system, how to develop the shy reader and how to avoid neglecting the good reader are some of the phases being discussed in the overall problem.

On August 27 Pahokee Junior and Senior High teachers will attend a County-wide meeting in West Palm Beach to hear a talk by Dr. D. L. Burton, assistant professor of education at Florida State University, who will discuss reading problems. Following his talk a special meeting will be held to make plans for improving the reading of high school students in the County.

Members of the Palm Beach County Resources Development Board, headed by President G. B. Benseal and Manager Ralph Blank, on a tour by bus of the Glades area on Wednesday of last week were greeted on their stop at Pahokee by a local delegation headed by Frank Rozelle. The welcoming delegation also included Mayor Lewis Friend, Rep. B. Elliott, Chamber of Commerce President Ralph Johnson and other civic leaders. The group saw a water show at the municipal pool in the city park before continuing their tour around the south end of the Lake.

The deadline for the inoculation and licensing of all dogs within the city limits of Pahokee has been set for Saturday, Sept. 6, according to Councilman James H. Wilkinson, Jr.

On that date Dr. Clarence Kidder of Belle Glade will be at the Pahokee city hall prepared to inoculate all dogs. The inoculation program is one phase of the drive launched by the City Council to rid the city of stray and diseased dogs.

**Martin - Wilson**

Miss Jocelyn Martin, daughter of the Rev. and Mrs. Fred L. Martin, former Pahokee residents now living in Winter Haven, and Richard Edwin Wilson, son of Mrs. M. E. Cowart of Winter Haven, were married at the Beyer Memorial Methodist Church in Winter Haven Sunday afternoon, Aug. 17.

The Rev. Martin gave his daughter in marriage and assisted the Rev. Tom Macy Petty of Columbia, S. C., in officiating at the double ring ceremony. Mr. and Mrs. Duncan Padgett of Pahokee were among those attending the wedding.

**Jack Thomas Takes Position In Atlanta**

Jack Thomas, son of Mr. and Mrs. J. V. Thomas of Pahokee, who recently completed a six-weeks' training course conducted by the Gulf Oil Corp., in Atlanta, Ga., has accepted a position with one of the company's own filling stations in that city.

While looking for a place to live

in Atlanta, Jack had the good fortune to run into Sgt. Gene Miller, son of Mr. and Mrs. Herbert Miller of Pahokee, who is stationed in Atlanta with the U. S. Air Force. Both young men are graduates of Pahokee High School, Gene receiving his diploma in 1950 and Jack in 1951. It so happened that Gene had some extra room at the place he is staying in Atlanta and now the two young men are roommates.

Sgt. Miller is an assistant to the major in charge of co-ordination for civil defense for the State of Georgia. This week he gave a talk and showed a film on civil defense at the meeting of the Lions Club in Ellaville, Ga.

Mr. and Mrs. Prentice Turbeville of Canal Point announce the birth of a son, Terry Lynn, at the Everglades Memorial Hospital, Aug. 16.

## Switches to Dodge...lowers hauling costs

- Whatever you haul, there's a Dodge truck—1½-ton through 4-ton—that's "Job-Rated" to fit your job and save you money.
- Full crankcase ventilation saves oil, lengthens engine life, and lowers upkeep costs.
- Two fuel filters—instead of only one—keep fuel clean to help prevent carburetor clogging and fouled cylinders.
- For smooth power that saves wear and tear, gyro Fluid Drive—a Dodge "exclusive"—is available on ½-, ¾-, 1-ton, and Route-Van models.
- Come in today for a demonstration and a real good deal.

**"My Dodge has proved to be a real saver on gas!"**

"We are getting several more miles per gallon with our Dodge 'Job-Rated' truck—and in a small business like mine, economy is important."

"My Dodge has not only proved to be a real saver on gas—but we are real pleased with Dodge dependability. Hauling pipes, fixtures, plumbing tools and other heavy equipment has broken down several trucks for us. But our Dodge has taken heavy-duty use over bumpy roads for a long time now and we haven't had to have a single mechanical repair."

**Enjoy over-all economy.** Dodge "Job-Rated" trucks are easy on gas and oil, thanks to compression ratios as high as 7.0 to 1. Other cost-cutting advantages include lightweight aluminum-alloy pistons and gas-saving carburetor with economizer valve.

**Cut down upkeep.** With a Dodge "Job-Rated" truck you get such proved money-saving features as 4-ring pistons with chrome-plated top rings, exhaust valve seat inserts, pre-fitted connecting rod bearings, positive-pressure lubrication, and other features.

**Get long life.** A Dodge "Job-Rated" truck gives you special alloy steel springs and shot-peened axle shafts. Other dependable Dodge long-life advantages include such features as wear- and heat-resistant valves, oil-bath air cleaner, and floating oil intake.

Do you have Series E Defense Bonds coming due this year?

# Here's a money-earning opportunity for you

Now—a new law lets your maturing Series E Bonds go on earning for you ten years longer! And you don't have to do a thing!

ARE YOU one of those patriotic citizens who began buying—and holding—Series E Bonds ten years ago? Now your government is going to reward your faith with a chance for your bonds to earn extra money—over and above what you'd expected!

According to the bill passed by Congress last spring, it is now possible for your United States Series E Bonds to continue earning interest ten years longer than was originally planned.

Therefore, if you started an automatic bond saving plan, and helped your country at the same time, you can look forward to ten years more of effortless earning from the bonds you bought!

For example, a Series E Bond which cost you \$18.75 in 1942 will pay you \$25 in 1952. But

if you hold that bond ten extra years, until 1962, it will pay you \$33.33, an average interest of 2.9%.

And there is nothing for you, as a bond holder, to do. You need not exchange the bonds you have. You need not sign any paper, fill out any form. You simply keep your bonds as you have been keeping them.

You may still redeem any Series E Bond at any time after you've owned it for sixty days. (The tables on this page show what you can get for it.) But unless you really need the cash you're much better off to hold your bonds; they are a paying method of saving. Bonds are safer than cash! Cash is too easily spent on nonessential things. And if you lose or accidentally destroy it, you're out that much money. But when you have cash in Defense Bonds, you're more apt

to hold on to it. And if your bonds are lost or destroyed, the Treasury will replace them for you at no cost or loss to you.

The cash you have in bond savings is safe and solid; and it's steadily growing toward a sum big enough to buy something really worth while when the proper time comes—a home, a business, a retirement fund, an education for your children.

So if you have bonds coming due, take advantage of this new offer of your government—just sit back and let them go on making money. Meanwhile keep adding to your savings by buying more United States Defense Bonds regularly—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank.

If you want to be paid your interest as current income—

The new law also allows you to exchange your Series E Bonds, in blocks of \$500 or more, for Special Series G Bonds which pay interest semiannually at the rate of 2 1/4% per year. For full details, ask at any Federal Reserve Bank or Branch.

## Council Will Sit To Equalize Taxes

The Pahokee City Council at a meeting Monday night announced it will sit in the council chamber at the city hall Tuesday, Sept. 2, from 1 to 3 p. m. as an equalization board to hear and study any protests local property owners make against the amount of their 1952 city taxes.

The council voted to rope off an area of water at the city dock to be reserved as a safety zone for children who swim at the dock. The swimming zone will be cleared of rocks and protected against speed boats. Councilman Gil Galbaldon was appointed chairman in charge of this project.

Councilman J. H. Wilkinson, Jr., announced Dr. Clarence Kidder, Belle Glade veterinarian, will be at the city hall between 10 and 11 a. m., Sept. 6, to inoculate dogs against rabies. Dogs not inoculated and wearing license tags after Sept. 6 will be picked up, Wilkinson said.

A representative group from the Negro Civic League appeared before the Council with the request the city level off a plot near the Pahokee Negro School for use as a playground and baseball park. The League offered its services in sodding and beautifying the park as soon as the land is cleared and leveled off.

## George O. Weaver Is Pensacola Grad

Naval Aviation Cadet George O. Weaver, 20, son of Mr. and Mrs. George M. Weaver of Pahokee, graduated Aug. 15 from the U. S. Naval School of Pre-Flight, Pensacola.

In addition to a thorough physical training program, the 15-week pre-flight course which he completed included aeronautical and naval subjects aimed at preparing officer candidates for flight training and eventual commissioning as naval officers.

Naval Cadet Weaver graduated from Pahokee High School in 1950. He entered the Naval service in August, 1950 and was selected for pre-flight training in April, 1952. He is now assigned to the U. S. Naval Auxiliary Aviation Station, Whiting Field, Milton, Fla., where he is engaged in primary flight training.

Upon completion of his training at Florida Stations and Corpus Christi, Texas, he will be awarded the Naval aviator gold wings and will be assigned to duty with the Fleet.

The United Growers and Shippers Association recently launched a plan for pound-selling citrus, and it has been endorsed by Florida Citrus Mutual and Florida Citrus Exchange.

## It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

## Christian Science Group Of Canal Point

Keynote of services in all Churches of Christ, Scientist next Sunday is that Jesus' life and work confirmed prophesy and proved the unreality of sin, sickness and death. Subject of the Lesson-Sermon is "CHRIST JESUS."

A verse from II Corinthians (4:6) provides the Golden Text: "For God, who commanded the light to shine out of darkness, hath shined in our hearts, to give the light of the knowledge of the glory of God in the face of Jesus Christ."

Bible passages include the following from Luke (9:1): "Then he called his twelve disciples together, and gave them power and authority over all devils, and to cure diseases."

Included among correlative selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following: "Christians are under as direct orders now, as they were then, to be Christlike, to possess the Christ-spirit, to follow the Christ-example, and to heal the sick as well as the sinning" (p. 138).

## College Group Is Given Farewell Party

Local students preparing to leave soon for college and university training were honored at a farewell party held in the Woman's Club building here, with Mr. and Mrs. M. P. Stanley, Mr. and Mrs. M. I. Keen, Mr. and Mrs. F. Hurt and Mr. and Mrs. Stewart Spooner acting as hosts.

Fink hibiscus and carissa were used for floral decorations. The refreshment table had as a centerpiece a crystal punch bowl circled with pink coral vine and flanked on either side by double crystal candle holders bearing lighted pink tapers. Refreshments of fruit punch and cake squares were served by the hosts to approximately 40 student guests.

Mrs. Dorothy Graham presented the program of entertainment which featured an impromptu radio program with Mac Lynn acting as master of ceremonies. Folk games and contests were also enjoyed and the program was concluded with a song fest. Bobby White was awarded the door prize.

## Several Parties For Yvonne Fraser

# This means more money to you!

**NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST  
10 EXTRA YEARS**

**A**LL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1952 can now continue to earn interest every year for ten more years—till 1962—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile... And remember—the interest rate on Series E Bonds has been increased to 3% compounded semi-annually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save *before* you even draw your pay. Thousands on the Plan say it's the one sure way to save.

## 3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K  
Defense Bonds pay 2.76% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

**SERIES H.** A new current income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 issue price jointly with Series K Bonds.

**SERIES J.** A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

**SERIES K.** A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semiannually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

**NOW EVEN BETTER!  
INVEST MORE IN DEFENSE BONDS!**

the special county commission election in Dist. 3 for Sept. 2.

Approved a request from the City of Belle Glade for three county voting machines to be used at the city's election Sept. 9.

Voted to call for bids for operation of a snack bar and news stand at the new airport terminal in West Palm Beach.

Authorized members of the commission, County Attorney Harry Johnson, Engineer Boyd and Executive Secretary R. E. McKee to attend a meeting of the State Association of County Commissioners to be held Oct. 27.

Authorized members of the board who could attend and Attorney Johnston to be present at a House of Representatives caucus called by B. Elliott, speaker of the house, for Sept. 12 at Tampa.

Adopted a motion which authorized the Florida Highway Patrol to enforce a commission policy regarding the type of heavy equipment that can be used on county roads. The motion came after complaints had been received by the board that roads in the north end of West Palm Beach were receiving a pounding by heavily loaded vehicles that were being operated in a manner which was in violation of board policy.

Adopted a resolution for condemnation of a plot of land in the north end of the county to be procured by the board for park purposes and to be added to Jupiter Park.

Set a date of Sept. 22 for municipalities and county authorities to meet for the purpose of discussing tax foreclosures.

Authorized transfer of funds and early pay checks for county employees to allow McKee to close the county's books for the current fiscal year. McKee was also instructed to go to Tallahassee to work out budgetary requirements with state officials.

## Registration Set For First Grades

First grad pupils will register at Pahokee Schools on Wednesday and Thursday, Sept. 3 and 4, from 9 a. m. until 12 noon when first grade teachers will be on duty at the elementary school for the registration, according to Principal Clyde A. Canipe. Registration of pupils of all other grades will be held at the elementary and high school Monday, Sept. 8, starting at 8:30 a. m.

To register in the first grade a pupil must be six years old before Jan. 1, 1953 and the parent must produce a birth certificate or other evidence of the date of birth at the time of the registration. No first grader may register after school has been in session for one month, Mr. Canipe said.

Sidney Caruthers, who has been promoted to the position of relief manager by Western Union, is spending two weeks at Mount Dora while the manager of the Western Union office of that city is on vacation.
